## Can I Change My Schedule FAQ?

**YES**

I have an empty period.

I am missing a core class.  
(Ex. Language Arts, Math,  
Social Studies, or Science)

I have the same class twice.

I have not had the  
prerequisite for the class.  
(Ex. Band 2, but you haven't  
taken Band 1)

**NO**

I want to change my lunch.

I want a different teacher.  
(All our teachers are great!)

I didn't get my top elective  
choices. (It was either FULL,  
not available, you've already  
taken it, or it didn't work in  
your schedule)

I want my classes in a  
different order.

I was placed in Algebra or  
another advanced class that  
I didn't select.  
(You can do it!)

- We may have limited elective availability and flexibility; therefore, some schedule changes may not be possible. Core academics will take precedent.
- Schedule change requests must be made within the 1st week of each semester to be considered.
